Separate traffic accidents Thursday in Dekalb and Gentry counties injured 3 persons.

The highway patrol said 84 year old Georgia Dteiner of Amity received serious injuries when she apparently fell asleep and her van went off of Highway 6 in Dekalb County, struck an embankment, then a tree, and overturned. She was taken to Heartland Regional Medical Center at St. Joseph. The patrol said her car was demolished in the accident yesterday afternoon 5 miles west of Maysville.

A King City man, 50 year old Donald Combe, received moderate injuries in an accident yesterday afternoon 4 miles east of Stanberry. He was taken to Northwest Medical Center in Albany. The patrol said Combe was southbound on Route F when he apparently lost control of his dump truck and it overturned onto the driver's side coming to rest in a cornfield. There was extensive damage to the truck.

A St. Louis resident, 29 year old Shawn Johnson, received minor injuries in an two vehicle accident yesterday afternoon 4 miles west of Albany. Johnson was taken to the hospital in Albany.
