Caldwell County Library will hold a children's story time this month on Saturday, September 21st at 10:00 am.

The Open House, scheduled for October 12, 2013 from 9:00 a.m. to 12:00 p.m., will have refreshments available and will also offer activities for children.

The library will also host a Fall Open house to celebrate their first year of service in Caldwell County.

Those in attendance can tour the building, see what services the library has to offer and sign up for a library card. There will also be a sign-up for computer classes to be held later in the year.

This event is free and all Caldwell County residents are invited to attend.
