A resident of Polo was injured Sunday night in a single vehicle accident five miles east of Lathrop.

The highway patrol said 28 year old Benjamin Germani of Polo received serious injuries. He was taken by ambulance to Liberty Hospital.

The state patrol said Germani was westbound on Highway 116 when his pickup drove off the right side of the road, went down a deep ditch, impacted the end of a driveway, became air borne, and came to rest on its wheels on the driveway.

The pickup truck was demolished. Germoni was wearing a seat belt.
