A Spickard woman was arrested Monday on five felony counts of receiving stolen property.

22 year old Kimberly Miller of rural Spickard was held in custody in lieu of ten thousand dollars cash bond. She's to appear Tuesday in the associate division of Grundy county circuit court.

The warrant accuses Ms. Miller of receiving a variety of items August 7th and 8th allegedly knowing the property had been stolen. This included tools, firearms, various household items, and miscellaneous.

Each of the five counts describe property values as in excess of 500 dollars. The owners were listed as Mildred, Harold, and Bradley Perry; Manual Quintana, Shelly and Jackson Anderson, Frank Golden, and Terry Hudson, all of Grundy County.
