Three children are missing from their Harrisonville home, and the Cass County sheriff's office is asking for help locating them.

Tabitha Davis, 11, Jasper Davis, 14, and Jordan Davis, 15, were reported missing Friday by their father and were believed to be with their noncustodial mother, according to the sheriff's office.

Authorities identified the mother as Sherri Lynn Davis or Sherri Lynn Oneil, a 44-year-old woman with no known current address. They said she was last known to be traveling in an RV with Arizona license plates or a black Mercedes SUV with Alaska license plates. She may also be traveling with five German shepherd dogs.

The children were last seen at 1:30 p.m. Friday. They were not at their home in the 26000 block of Skyline Drive when the father returned home at 4 p.m.

The sheriff's office reported the children missing with local, state and national law enforcement databases, but the case didn't meet the criteria for an Amber Alert. The sheriff asked the Missouri Highway Patrol to issue an "endangered person advisory" Saturday after exhausting investigative leads.

Here are the descriptions of the children from the sheriff:

Tabitha is a white female, 4 feet 9 inches, 85 pounds, with blonde hair, blue eyes and light complexion with freckles. She was last seen wearing a blue T-shirt, blue jean shorts and Hello Kitty slippers.

Jasper is a white male, 5 feet 6 inches, 125 pounds, brown hair, blue eyes and a light complexion. He was wearing a dark T-shirt with a white emblem on the front.

Jordan is a white male, 5 feet 6 inches, 175 pounds with brown hair, blue eyes and a light complexion. He was last seen wearing a blue T-shirt, dark blue shorts and flip flops.

Anyone with information is asked to call the Cass County sheriff's office at 816-380-5200.
