A Cameron resident was among three persons injured yesterday when three vehicles were involved in a Clay County accident.

The accident occurred on Interstate 35, south of U-S 69. The highway patrol said 55 year old Vicki Burnett was a passenger in a sports utility vehicle driven by 68 year old Joyce Meppelink of Lawson.

Both women, along with another driver, 22 year old Dyan Spero of Holt, received what the highway patrol called moderate injuries. All were transported to the Liberty Hospital.

The driver of a pickup truck, 61 year old Keith Bergerson of Monitcello, Minnesota, wasn't hurt.

All three were southbound when the car driven by Ms. Spero was over-taking the pickup but hit it in the rear. The truck rotated counter clockwise and struck the rear of the S-U-V. All three vehicles were demolished in the mid-day Thursday accident in Clay county.
