One person was injured in the Monday night collision of two vehicles, including a large truck, in rural Carroll County.

The Highway Patrol said 27-year old Abigail Hawkins of Bogard received MODERATE injuries. She was taken by ambulance to Carroll County Memorial Hospital in Carrollton.

Miss Hawkins was northbound on U.S. Highway 65 when she apparently pulled into the path of the southbound truck driven by 27-year old Caleb Gilgour of Bogard. He was not hurt. The accident, occurring early on Monday evening, demolished the Hawks vehicle. The large truck received extensive damage in the crash at Highway 65 and Route W. Both drivers were using seat belts.
