Firefighters from Grundy County and Jamesport responded to a structure fire early this morning southwest of Trenton.

The departments were sent to the Rick Leafgreen residence at 471 Southwest 54th Street. The location is near Hickory.

A spokesman, Eric Lorenz explained the fire is believed to have started in the garage area where it also spread to the roof and attic of the house.

It's a two car attached garage. Damage was described as extensive to the garage and to the roof and attic of the house. The cause of the blaze is unknown.

The alarm came in shortly after 2 o'clock this morning, no injuries were reported.

Responding to the scene was the Grundy County Rural Fire Protection District with mutual aid assistance from Jamesport firefighters.
