Residents of St. Joseph and Hamilton received what the highway patrol called serious injuries when a car overturned off Interstate 29 in Platte County, ejecting both persons from the vehicle.

A passenger, 23 year old Amanda Teets of Hamilton, was taken to University of Kansas Hospital.

The driver, 28 year old Theodore Marti, Jr. of St. Joseph, was taken to Heartland Regional Medical Center at St. Joseph.

The accident occurred Saturday night about 3 miles north of Platte City on Interstate 29. The patrol reported the southbound car went off the right side of the road and overturned.

The vehicle was demolished.
