A Trenton man has been arrested on a felony charge accusing fraudulent use of a debit card.

45 year old David Allen Wilson is held at the Grundy county detention center in lieu of five thousand dollars cash bond.

Wilson is accused of using a bank-issued debit card between October 9th and 18th to receive cash and / or make purchases knowing that it's use was allegedly unauthorized. The warrant says more than 500 dollars was involved.

Wilson is to appear November 12th in the associate division of Grundy county circuit court.
