The Trenton Police Department is offering up some Halloween safety tips for those heading out to Trick Or Treat this Halloween eve.

â€¢ Slow down and be especially alert in residential neighborhoods. Children are excited on Halloween and may move in unpredictable ways.

â€¢ Take extra time to look for kids at intersections, on medians and on curbs.

â€¢ Enter and exit driveways and alleys slowly and carefully.

â€¢ Eliminate any distractions inside your car so you can concentrate on the road and your surroundings.

â€¢ Drive slowly, anticipate heavy pedestrian traffic and turn your headlights on earlier in the day to spot children from greater distances.

â€¢ Popular trick-or-treating hours are 5:30 p.m. to 9:30 p.m. so be especially alert for kids during those hours.
