The Jamesport Community Association presents a Christmas Craft Show and Festival November 29th and 30th at the Jamesport Tri-County Elementary and High School buildings, and at the AV Spillman Event Center.

The Community Association says the three buildings will be full of crafts. An old fashion cookie and candy walk are planned in the high school building. Live music is scheduled in the event center.

Other features are a strolling Santa, baked items, frozen custard, wine tasting, kettle corn, and buggy rides.

The hours for the Christmas Craft Show and Festival at Jamesport are from 9 until 4 o'clock on both November 29th and 30th, the first 2 days after Thanksgiving.
