Army National Guard Field Maintenance Shop #14 and the 548th Transportation Company of Trenton are collecting non-perishable items for the Community Food Pantry of Grundy County today and Saturday

Soldiers and an army truck are to be outside Hy-Vee Food Store in Trenton to collect the donations for the food pantry.

The soldiers suggest persons entering Hy-Vee to get a red basket in addition to a shopping cart---and to place items they wish to donate to the food pantry in the red basket. The soldiers suggest items for a dinner---such as boxes of stuffing, mashed potatoes, and pie crust; and cans of yams, condensed milk, pumpkin, corn or green beans, turkey gravy, and cranberry sauce.
