A Trenton resident, Haley White, faces charges of property damage in the first degree in connection with damage done to another persons' car last Friday.

29 year old Haley White posted bond of 25 hundred dollars pending her appearance February 11th in the associate division of Grundy county circuit court.

She is accused of damaging a 1993 Pontiac belonging to Rachel Franklin.

The warrant stated Haley White used a hammer to break out all windows, the headlights, and tail lights on the car.
