Grundy County Commissioners report an audit of county finances for the years 2011 and 2012 showed no concerns. The audit was done by Certified Public Accountant, Kevin Hudson of Trenton.

Commissioners hold their annual meeting with townships Monday night at 7 o'clock at Green Hills Community Action Agency in Trenton. Cart rock and other topics of concern to townships are to be discussed.

Commissioners hold a Public Hearing regarding a \$58 correction to the County budget passed last month. Commissioners say the hearing is required by the State Tax Commission. It's so assessor revenues match State Tax Commission figures. The hearing is next Tuesday morning at 8:30 at the Grundy County Courthouse.

Grundy County Commissioners will be among those attending a meeting next week regarding the 17th Street bridge in Trenton. The meeting is the morning of February 20th at 10 o'clock at Trenton City Hall. Representatives of the City of Trenton, the Missouri Department of Transportation, and the Union Pacific Railroad also are expected to be there.

The County Commissioners Association of Missouri holds its annual training today through Friday at Columbia. Grundy County Commissioners are scheduled to attend.
