Chillicothe Fire Department will host the annual Storm Spotter Training March 11th 7 :00 P.M. At the Calvary Baptist Church Family Life Center.

The National Weather Service provides this no cost training and information. Public welcome to attend The Fire Department will provide refreshments and have several staff members available to answer questions about our local operations during severe weather.

The City of Chillicothe and Livingston County will participate in the statewide tornado drill on March 4th, at 1:30 P.M. The city will sound sirens and the county will test storm warning receivers for schools and all other listing stations. March 2-8 is Severe Weather Awareness Week in Missouri.
