A Newton, Iowa man was hurt when the pickup truck he was driving overturned off interstate 35 in northern Daviess County Saturday morning.

46 year old Wayne Prime was taken to Harrison County Community Hospital at Bethany with what the highway patrol called minor injuries.

The accident was 3 miles northeast of Coffey on I-35. The highway patrol said the northbound pickup went out of control on the ice covered pavement, traveled off the right side of the road, and overturned several times---coming to rest on its wheels.

The vehicle was demolished. Prime was wearing a seatbelt.
