A 27 year old rural Lucerne resident, Mark Henry, has been charged in Putnam County with 2 counts of filing a false Missouri income tax return, 4 counts of failure to file/pay a Missouri income tax return, and 3 counts of attempting to evade or defeat income tax.

Bond was set at \$90,000.

The highway patrol says Mark Henry's father, 48 year old Mark Henry Senior of Unionville, faces similar charges in Putnam County after being arrested late last month.
