A St. Joseph woman was killed Saturday night when the car she was driving collided with a sport utility crossover vehicle on Interstate Loop 29 just north of St. Joseph.

43 year old Audrey Mitchell was pronounced dead at the scene. She was thrown from the car.

The driver of the other vehicle, 63 year old Susan Rost of Savannah, was taken to Heartland Regional Medical Center at St. Joseph. The patrol said she had moderate injuries.

The patrol said the southbound car driven by Ms. Mitchell traveled off the road, through the median, and into the northbound lanes where the collision occurred with the northbound vehicle driven by Ms. Rost.

Both vehicles were demolished.
