JEFFERSON CITY, Mo. (AP) - Missouri Lottery officials say one Powerball ticket sold in Missouri matched all six numbers to win the \$96.5 million jackpot.

The lottery said Sunday in a release that another ticket also matched five white-ball numbers to win \$1 million in the drawing Saturday. The winning numbers Saturday were: 13, 28, 31, 55, 58, and the Powerball number was 15.

The Lottery says the Missouri winners have 180 days to claim their prizes.

The \$96.5 million jackpot winner can get the jackpot prize in 30 graduated annuity payments or in one lump-sum payment. The \$1 million winner gets a one-time cash payment.
