A Carroll County resident received what the highway patrol called serious injuries when the pickup truck he was driving overturned northwest of Carrollton, throwing him out of the vehicle.

27 year old Dustin Wheeler of Norborne was taken to Carroll County Memorial Hospital at Carrollton, and then flown by medical helicopter to the University Hospital at Columbia.

The accident was late Saturday night on Route PP northwest of Carrollton.

The patrol said the southbound pickup traveled off the left side of the road, returned to the pavement, then went off the right side of the road, hit an embankment, and overturned, coming to rest on its top.

The truck was demolished.
