Shortly after noon on Wednesday, 911 dispatch in Livingston county received a call from a rural Wheeling man.

He informed the dispatcher of his name, location, family and information on his intent.

Dispatch notified the Livingston County Sheriff's office. When officers arrived on the scene, they found the man, deceased in his vehicle at the Wheeling Cemetery. The Livingston county Coroner's office assisted with the unattended death investigation.

Officers from the Livingston County Sheriff's Office went to the home of the spouse, staying until additional family arrived.
