Residents of Browning and Purdin were listed with injuries following a two car accident last evening on Highway 5, one mile north of Browning.

The highway patrol said 74 year old Barbara Scott of Browning was taken to Sullivan county memorial hospital in Milan. The patrol described her injuries as moderate. The other driver, 24 year old Larry Oder of Purdin, was listed with minor injuries and reportedly declined treatment.

The patrol said both vehicles were southbound when the car driven by Ms. Scott was turning west as it was struck in the rear by the other car. Damage was listed as extensive to both cars. Both drivers were using safety devices.
