A Hamilton resident was hurt when the car she was driving went off old Highway 36 east of Hamilton and overturned.

16-year old McKenzie Wilson was taken by private vehicle to Hedrick Medical Center at Chillicothe with what the highway patrol called minor injuries.

The accident was yesterday morning just east of Hamilton on old Highway 36.

The patrol said the westbound car traveled off the right side of the road, went back onto the pavement, slid sideways, went off the right side of the road again, this time backwards, hit an embankment, and overturned, coming to rest on its wheels.

The vehicle was demolished.

Ms. Wilson was wearing a seatbelt.
