A traffic accident ten miles west of Unionville caused minor injuries for two occupants of a van.

The highway patrol reports 54 year old Howard Raef of Lucerne and 35 year old Christopher Bowen of Macon both declined treatment at the scene.

The patrol reported both a farm tractor and the van were westbound on Highway 136 when the tractor attempted a left turn as the van driven by Raef was trying to pass. The tractor was hit from behind forcing it off the road and into a field. Its operator was listed as 16 year old Matthieu Myers of Lucerne.

The report listed damage as minor to the tractor while the van was demolished in the Sunday morning accident at 10:20 a-m.
