MOBERLY, MO. (komu.com) - Moberly police believe the suspect who robbed a Break Time off Morley Street early Sunday is the same man who robbed a Subway the night before.

The Police Department said in a press release on Sunday that a man entered the convenience store, showed a handgun and demanded money. He then fled the scene on foot with an undisclosed amount of cash.

A Subway in Moberly was robbed in a similar fashion on Saturday night.

Nobody was hurt during the two robberies.
