An informational program on Medicare is scheduled in Trenton on Friday, June 8th. You can learn more about Medicare Parts A, B, C, and D by attending the program to be held in the conference room of Serve Link Home Care. Organizers say those attending can also learn about resources available to help with Medicare costs. The presentation is scheduled from 9:00 to 12:30. Presenters Vera Nelson and Deanna Lewis are from the Active Aging Resource Center in Gallatin. Class size is "limited". Those wishing to reserve a space for this Medicare workshop are to call the resource center in Gallatin at (660) 663-2828 or (866) 587-2270.

A similar presentation about Medicare has been announced for Chillicothe on Tuesday, June 12th. It is also from 9 o'clock until 12:30, but it is being held at the Livingston County Health Department building at 800 Adam Drive.
