A Gallatin man was injured early Monday morning in a traffic accident about five miles east of Avalon, in southern Livingston County.

The Highway Patrol said 29 year old Bradley Leatherman of Gallatin sustained MODERATE injuries. He was transported by ambulance to Hedrick Medical Center in Chillicothe. The State Patrol said Leatherman was eastbound on Route H when an animal ran in front of him. Leatherman said he closed his eyes and his car struck the end of a concrete bridge. He then drove another 1/4 mile before parking in a field entrance. Damage was extensive to the car.
