Governor Jay Nixon is scheduled to be in Cameron on Friday afternoon to sign legislation related to funding for the Missouri Veterans Home.

Nixon will be at the Cameron Veterans Home at 2:15 on Friday. The legislation takes effect upon his signature. Other locations to be visited by the Governor this week (for bill signing ceremonies) are Mexico on Wednesday; St. Louis, Cape Girardeau, and St. James on Thursday; and Mount Vernon and Warrensburg on Friday before traveling to Cameron.
