A Gentry County accident on Sunday night injured a King City resident. The Highway Patrol said 21 year old Donna Overton of King City received MODERATE injuries and was taken by ambulance to Northwest Medical center of Albany.

She was eastbound when her sports utility vehicle traveled off the south side of Highway 136, then returned to the road, and overturned onto its top. The SUV was demolished in the accident two miles east of Stanberry. The driver was not wearing a seat belt.
