More entries are needed for Saturday's Five Points Chili Cook-off for charity in Trenton. The event, featuring the on-site cooking of chili and salsa, will be held around the Five Points flag pole location in downtown Trenton. It is a fund raiser for the Trenton Downtown Improvement Association and North Central Missouri Children's Advocacy Center.

There will be competition for professional cooks from CASI which stands for **Chili Appreciation Society International**. There also will be local or home style competition for the area residents and teams.

Here is Chamber of Commerce President Debbie Carman:
