Families and Friends of the Developmentally Disabled will provide transportation and supervision for area residents to attend a Royals/Cardinals game at Kauffman Stadium in Kansas City on Sunday, June 24th. Game time is 1:10 that afternoon. The mini-buses will leave Friendship Place Apartments in Trenton at 9:00 that morning.

There is NO cost to ride or attend the game thanks to a donation made by a Kansas City company to the local organization.

A limited number of tickets remain for those interested and chaperones. They will be available on a list depending on when calls are made. Those interested may call the FFDD office in Trenton at (660) 359-3285. Those who need to be picked up at their home that Sunday also are to call the FFDD office to make arrangements.

The group will be stopping for lunch at Kearney about 10:45 before heading to the stadium one hour later. Individuals can purchase lunch at a fast food restaurant at this time or take their own snack lunch. A cooler will be available for the lunch sacks.
