Two Brookfield residents have been charged in Livingston County with Escaping From Confinement. Forty one year old Bobby Waddle and 22 year old Tony Dawson are accused of escaping from the Livingston County Jail on Wednesday night.

Bond for each men was set at \$50,000 cash only. Livingston County Sheriff Steve Cox says both men are being held in MAXIMUM security confinement.

Waddle was arrested in Brookfield on Thursday night, while Dawson was taken into custody early Thursday morning (in Chillicothe). Both people were arrested without incident.
