A Kirksville woman suffered "minor" injuries in a one-vehicle accident on Friday night, one mile west of Novinger on Highway 6, in western Adair County. Twenty-six year old Miranda Mayes refused treatment at the scene for her injuries.

The Highway Patrol said Ms. Mayes was westbound on Highway 6, at 10:16 on Friday evening, when her vehicle went off the north side of the roadway and overturned. It is unknown if she was wearing a seat belt.
