A precautionary boil advisory has been issued for an area south of Jamesport in Daviess County. Affected are areas between HIGHWAY 190 on the east and Daviess County ROUTE O on the west. The southern boundary of the boil advisory is Route V. The northern boundary is Prairie Avenue. The precautionary boil advisory was issued by Livingston County Public Water Supply District #4 for the area south of Jamesport in Daviess County. It is in effect until 9 o'clock on Saturday morning for drinking and cooking water.
