The Trenton Chamber of Commerce will be sponsoring a 100 mile motorcycle poker run on Saturday, September 1st.

Registration is the morning of September 1st between 9 and 10 o'clock at the Old Grundy County Jail (now the Prosecuting Attorney's Office). The first bike leaves at 9:30. The route still was being finalized, but the Chamber says it will be a 100 mile "scenic" route of north-central Missouri. The cost is \$20.00 for one person and \$30.00 if there is a rider on the same motorcycle. The fee includes the poker hand, souvenir photo, and a catered lunch after the poker run. Additional poker hands are available at five dollars per hand. The Chamber says a post-ride celebration will be held on the grounds of Trenton Coca-Cola, with several door prizes to be given away.
