It was nine years ago on August 1st when St. Luke's Health System began operating Hedrick Medical Center. On the anniversary of that agreement, St. Luke's and the city of Chillicothe held a ceremonial ground-breaking to commemorate the start of construction for a new hospital and doctor's building off the southeast corner of Highway 65 and Mohawk Road.

Speaking before a large group estimated to be in the neighborhood of 250 people was the new St. Luke's Health System President and CEO, Dr. Melinda Estes:
