Announcement was made this afternoon that the city of Trenton has lifted its ban on outdoor burning. This ban had been in effect for the past two months due to extremely dry ground conditions. The Trenton Fire Department reported the burn ban was lifted as of this afternoon. Trenton received nearly one inch of rain over the weekend. Much greater rains fell in Caldwell and Livingston counties.

Because of that moisture, Caldwell County this morning lifted its burn ban. Chillicothe and Livingston county lifted the ban on outdoor burning over the weekend.

Grundy county had only a strong advisory against open burning for the rural areas.
