A truck belonging to a Green Castle man was demolished while he received what the Highway Patrol called MODERATE injuries in an accident two miles north of Gallatin.

Twenty-seven year old Jonathan Craig was taken by ambulance to Cameron Regional Medical Center after the Monday morning accident.

The Patrol said Craig was northbound on Route MM at a "high rate of speed" when his truck skidded out of control. It traveled off the road twice before overturning on the drivers side. Craig was wearing a seat belt.
