A Distracted Driver Simulator will be available to the public tomorrow (Tuesday) at North Central Missouri College in Trenton. The "hands-on" activity is intended to demonstrate the effects of driving while intoxicated, and texting while driving.

The simulator will be in the Sugg Room at the Ketcham Community Center on Tuesday from 10 to 4 o'clock. There is no charge to use the device.

It is part of a program at NCMC presented by Kramer Entertainment. There also will be videos.
