A Unionville resident was hurt when two trucks sideswiped at the crest of a hill in southeastern Putnam County on Wednesday, October 10th.

One of the drivers, 66-year old Donna Roberts-Wornell of Unionville, was taken to Northeast Regional Medical Center in Kirksville, with what the Highway Patrol called minor injuries.

The other driver, 53-year old Darrell Spencer of Newtown, was not reported hurt.

The accident was shortly before noon on Wednesday one mile south of Martinstown on Gentian Trail. Damage to each truck was described as minor.

The Patrol said Mrs. Roberts-Wornell was the only person wearing a seat belt.
