A "Town Hall" meeting in Jamesport to discuss health care in Daviess County has been scheduled for Tuesday, October 30th.

Wright Memorial Hospital will host a meeting at the A-V Spillman Event Center in Jamesport to discuss the future of health care in Daviess County. Chief Executive Officer of Wright Memorial, Gary Jordan, will open the meeting and welcome community members. The remainder of the meeting will be open to questions and comments from community members.

Jordan wants citizens who live in Daviess County to have the opportunity to tell what they want their health care to look like going forward. Jordan said hospital officials want to determine the best way to serve the population; and feel it is important to seek the guidance of the people who live in that area.

The meeting on October 30th will begin at 6 o'clock that evening. Doors will open at 5:30. Light refreshments will be served. The A.V. Spillman Event Center is at 308 South Broadway in Jamesport and the event is open to all residents of Daviess County.
