Two Princeton teenagers were injured on Tuesday morning when a car overturned east of Mill Grove. The driver, 16-year old Makayla Contrerez, and a passenger, 13-year old Kylie Contrerez, were taken to Wright Memorial Hospital in Trenton with what the Highway Patrol called minor injuries. The accident was one mile east of Mill Grove on Mercer County Route D. The Patrol said the eastbound car was going around a left curve when the vehicle began to slide on wet pavement. The driver over-corrected, the vehicle went off the road, hit an embankment, and overturned, coming to rest on its top.

The car was demolished, and the Patrol said both girls were wearing seat belts at the time of the crash.
