A west central Missouri man was hurt when the car he was driving went off Highway 13 and into a ditch north of Kingston. Thirty-two year old Jeremy Kirk of Bates City was taken to Cameron Regional Medical Center, with what the Highway Patrol called minor injuries. The accident was one mile north of Kingston on Highway 13. The investigating officer said the northbound car went off the right side of the road and hit a ditch. The car received minor damage. Kirk was wearing a seat belt.
