A Unionville resident was hurt on Friday morning when the pickup truck he was driving overturned off Highway 136 west of Unionville. Eighteen-year old Richard Mendenhall was flown by medical helicopter to University Hospital in Columbia, with what the Highway Patrol called SERIOUS injuries. The accident was two miles west of Unionville on Highway 136. The investigating officer said the pickup was westbound when it went off the left side of the road and overturned, demolishing the vehicle. The Patrol said Mendenhall was not wearing a seat belt.
