Because of a student suicide at Plattsburg High School, the basketball games scheduled for Monday, December 10th at Trenton High School have been moved to accommodate funeral plans. The new date is Wednesday, February 6th, 2013, and the starting time remains 5:00 - with JV Girls, Varsity Girls, and Varsity Boys games to be played (In Trenton). All game workers (gate, clock, etc) are asked to simply move to the new date. If this can't be done - please contact Athletic Director Kris Ockenfels. Trenton High School extends its thoughts and prayers to the Plattsburg community during this difficult time.
