The Director of the Missouri Division of Drug and Crime Control, Captain Sarah Eberhard, has announced the arrest of Glenn Head for the murder of William Bacon. On Tuesday, Missouri Highway Patrol troopers arrested the 59-year old Head for SECOND degree murder and armed criminal action in connection with the death of 67-year old William Bacon of Novelty.

The arrest is the result of a shooting that occurred in rural Knox County on Tuesday afternoon. Head has been formally charged by the Knox County Prosecuting Attorney, and is being held currently at the Adair County Jail in Kirksville on a \$250,000 cash only bond.
