Two residents of Ludlow were injured in an accident yesterday in Livingston County that involved their pickup and two tractor trailers. Taken to Hedrick Medical Center of Chillicothe were 21 year old Shawn Schuyler with minor injuries and 23 year old Samantha Schuyler with MODERATE injuries. The Highway Patrol said Schuyler was westbound on U-S 36 when his pickup was struck from behind. The impact caused the pickup, in turn, to hit the rear of the tractor trailer in front of it.

Driving the bigger trucks were 23 year old Kristopher Decker of Spencerville, Ohio and 45 year old Terry Toole of Westville, Illinois. Neither of those drivers was hurt

The accident, nine miles west of Chillicothe, demolished the Schuyler pickup while leaving the tractor trailers with minor to moderate damage. All persons were using seat belts.
