The annual "Greenhand Motivational Conference" for Area 2 FFA Chapters will be hosted by North Central Missouri College in Trenton on WEDNESDAY. The conference is co-sponsored by NCMC and MFA Incorporated.

Twenty-five area high schools are expected to bring approximately 400 agriculture students to meet state FFA officers and learn more about agriculturally-based opportunities available through FFA.

Area residents are cautioned of traffic congestion around the downtown Trenton campus on Wednesday morning and at area restaurants over the noon hour that day.
