North Central Missouri College is reminding the public that offices on the college campus will be closed on Tuesday from 8 o'clock in the morning until 1 o'clock in the afternoon. There also are NO CLASSES on Tuesday at NCMC in Trenton.

College employees are participating in training called INTERUDEROLOGY. It consists of emergency response practices to combat violent intruders. The training is being presented on the NCMC campus by Safeplans LLC of Jefferson City. NCMC says the training is mandatory for all employees.
